

**BLUE MOUNTAIN MANUFACTURING  
WELDING AND FABRICATION POSITION DESCRIPTION**

Open: January 1, 2022  
Duration: Summer 2022  
Job Title: Welding and Fabrication Intern  
Supervisor: Eric Chick  
Regular Hours: Full Time  
Wage: \$ 11.50 hourly

**About Blue Mountain Manufacturing**

Blue Mountain Manufacturing is locally owned and operated in Heppner, Oregon. We have been building quality agriculture attachments including Bale Forks, Grapples, and Buckets for the past 35 years.

**Overall purpose and objective of this position:**

Blue Mountain Manufacturing is offering an entry level internship that will introduce someone to the agriculture manufacturing industry. The interested candidate should have some background and knowledge of welding and shop practices.

**Scope of Work:**

The intern will be responsible for the following duties:

- Cut, clean, and pre-process parts for fabrication
- Gain and improve basic welding skills
- Help implement lean manufacturing and efficiency programs within the company

**Preferred Skills**

- Ability to read cut lists provided
- Ability to read a tape measure
- Basic understanding of welding

Applications must be submitted by April 1, 2022.
