

Morrow County Internship Program

Student Feedback 2019-2020

95% of interns that completed the internship program said that their experience impacted their career or education plans.

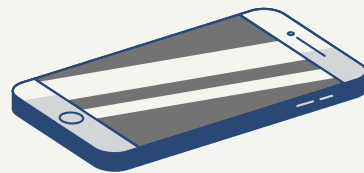

We saw an opportunity to share with students what the industry required.

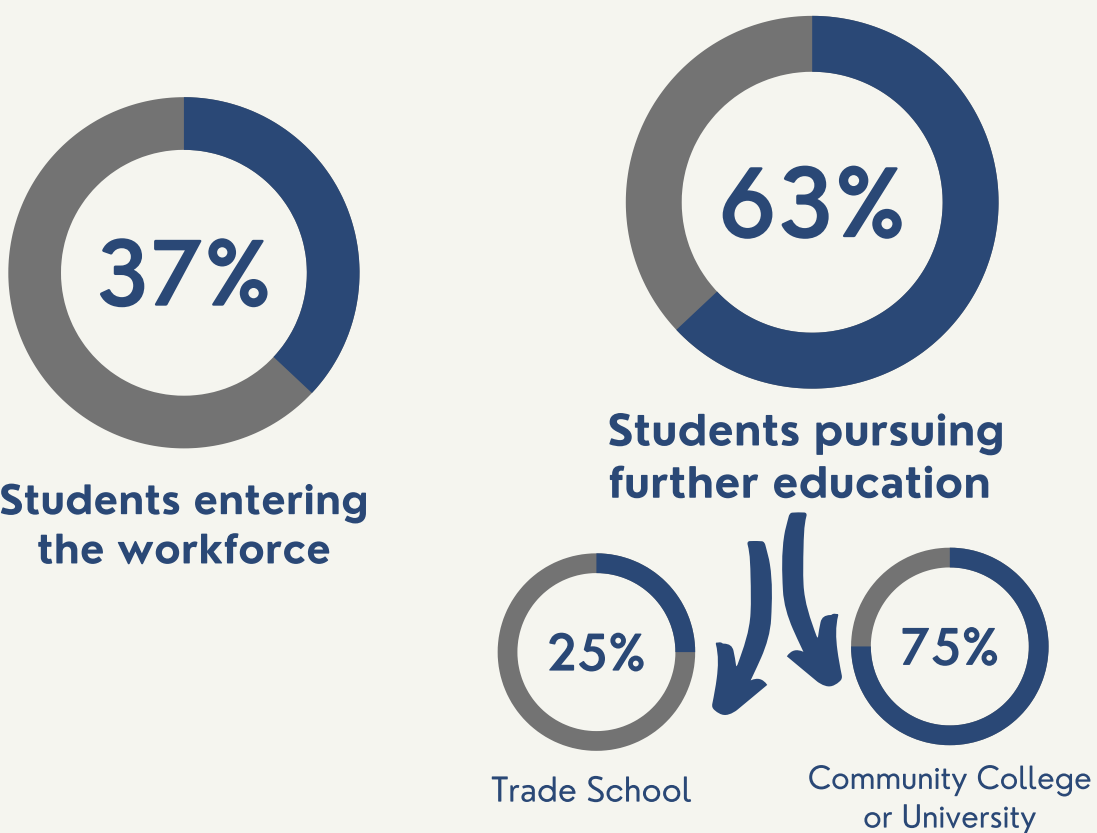

Eric Chick, Operations Manager
Blue Mountain Manufacturing

The Morrow County Internship Program is open to Juniors and Seniors in Morrow County.

Of the students surveyed after completing the internship program, below is the breakout of students attending further education vs. entering the workforce:

"The youth is the future of Morrow County and investing in their education and giving them real world opportunities is key to their success in life."

Ryan Neal, Executive Director
Port of Morrow
